

Monkey Matching Game

Print these two pages on cardstock using a color printer. Carefully cut the cards on the dotted lines.

INSTRUCTIONS

Shuffle the cards. Place the cards face-down on a table or the floor, arranging them in five rows, each with four cards. Players take turns turning over two cards. If the monkeys on the cards don't match, the player replaces the cards, face-down, where they came from. When the monkeys match, the player keeps the pair of cards, and gets to choose two more cards. The player with the most monkey pairs at the end of the game wins!
