

Managing Your Day

A Flexible Instruction Plan

The daily plan of *Splash into Pre-K* provides teachers and children with structured flexibility, allowing children to learn and explore at many different levels. Teachers can pick and choose the activities they want to focus on, depending on an individual child's needs and interests.

These sample schedules present guidelines for using *Splash into Pre-K* in a full-day or half-day program.

Centers	20 minutes
Math Time	30 minutes
Centers	20 minutes
Play and Learn	20 minutes
Snack Time	15 minutes
Connection Time	20 minutes
Good-bye Time	10 minutes

Expanding Children's Interests

Children's interests help to guide the curriculum in any pre-K classroom. Whenever possible, encourage children who are engrossed in a certain activity to continue their learning rather than move on to a different activity.
